ACTIVITIES OF HARYANA STATE LEGAL SERVICES AUTHORITY

Appreciating the various activities, on 9th November, 2015, on the occasion of National Legal Services Day at Dr. D.S. Kothari Auditorium, New Delhi, the District Legal Services Authority (DLSA) of Faridabad, Haryana was adjudged the best performing

DLSA in the North Zone as well in the Country amongst all the State and Union Territories. Hon'ble Prime Minister Sh. Surakshit Bachpan, Samvedna, Swabhiman etc. were devised and implemented to reach out to the weaker and marginalized sections of society. Emphasis was also put on spreading legal awareness amongst the school and college students with special focus to instill and imbibe in

them the consciousness to perform Fundamental Duties towards the nation and to remain away from the evils of ragging, drugs etc. This apart, a holistic approach was adopted to achieve the objective of Access to Justice for All. Work was done for all

the segments of the society like ***Unorganized workers, women, Children, Prisoners, Senior citizens, Transgenders etc.*** All the Rules and Regulations of National Legal Services Authority were implemented in letter and spirit.

1. INTRODUCTION

No principle is more essential to a well-functioning democratic society than equal access to justice. While the law increasingly permeates every aspect of our lives, not all members of society yet enjoy full access to the institutions in which the law is administered, interpreted, applied and enforced. Haryana State Legal Services is working to enhance equal access to justice for the poor, disadvantaged or otherwise marginalized members of our society by implementing various Legal Aid Schemes and Legal Services Programmes in accordance with the objectives of the Legal Services Authorities Act, 1987; and the Regulations, Schemes and Instructions of National Legal Services Authority.

2. ACTIVITIES OF HARYANA STATE LEGAL SERVICES AUTHORITY

Quintessentially, HALSA seeks to reach out to the people, especially the needy, with the hand of legal help. The need for HALSA arises from the ground level reality that there exists various barriers to access to justice. In a society governed by rule of law all must have reasonable access to justice.

‘ACCESS TO JUSTICE FOR ALL’ is the motto of Legal Services Authorities. In order to achieve this aim, HALSA performed the following activities during the year 2015-16.

- a) Providing Legal Aid
- b) Spreading Legal Literacy
- c) Organizing Lok Adalats
- d) Mediation
- e) Implementing Victim Compensation Scheme

The details of the said activities are as follows:

4. LEGAL AWARENESS

About sixty five per cent of the people in Haryana live in rural areas and many of them are illiterate. Most of the people are legally illiterate, as they are not aware of their rights conferred upon them by law. Even substantial number of literate people living in the cities and villages do not know what are their rights and entitlements under the various laws. It is this absence of legal awareness which is responsible for the deception and exploitation of people at the hands of unscrupulous elements.

With a view to raise the legal awareness quotient of the people so that their sufferings are mitigated, HALSA has embarked on a mission to spread legal awareness in every nook and corner of the state under various programmes. Legal awareness camps aim at creating awareness among people about their rights under various laws and welfare Schemes pertaining to women, children, Scheduled Castes, underprivileged, poor and the needy people to help achieve development goals. People are also sensitized about their duties.

Following steps have been taken by Haryana State Legal Services Authority for Legal Awareness Campaign in the State of Haryana:-

Haryana State Legal Services Authority introduced internship programmes to give law students an insight into the legal aid and services mechanism besides various legal literacy programmes and schemes framed for “Access to Justice for All”. Internship programme is a unique platform for law students to put their legal knowledge, skills and experience into practices and take initiatives to reach out to the weaker sections of the society and see that they are benefited by the legal Services Programmes. Internship programme will be instrumental in bringing about directional changes in the implementation of various schemes and Legal Services Programmes. The knowledge and experience of grass root realities gained at the initial stage of academic pursuit would be immensely valuable in their professional career.
